PUBLICATIONS

Journal of Lipid Science and Technology

The publication Committee of the Association is publishing regularly a quarterly Journal of the Oil Technologists' Association of India. The Journal contains the research work done by its members in various national laboratories/Institutions of national repute and it also carries the review papers on industrially important topics, reports from industries and various other trade information besides advertisement of products and equipment manufactured by the industries and thus is catering the needs of the nation in the field of oils & fats, soaps & surfactants, surface coatings and allied areas. The Association is grateful to the advertisers for supporting the Journal by way of releasing the advertisements.

On behalf of Oil Technologists' Association of India this quarterly periodical was published by OTAI HQ at Kanpur. Current Editor in Chief of J.L.S.T is Dr. R. K. Trivedi

Report of Publication Committee (by Hony. Editor)

The publication Committee is thankful to authors from various reputed institutions like IICT, Hyderabad, IIT Delhi, ICT Mumbai, HBTU Kanpur, kolkatta university, CIMAP Lucknow etc. for their contributions in 2022-23. We are also thankful to the Reviewers who have contributed in reviewing all the papers sent to them because of which we were in position to publish all the JLST (Journal of Lipid Science and Technology) in time and it also enabled us to maintain the quality. Publication Committee is also thankful to Dr. R. K. Trivedi for working efficiently as Editor in Chief. The Publication Committee puts on record the financial assistance provided by the industries by way of giving advertisements in the journals and also to various zones who assisted in getting the membership dues collected. I shall be failing in my duty if I do not recognize the assistance provided by the Joint Editors namely Prof. S. N. Naik, Prof. Amit Pratap, Dr. Tapan Ghosh, & Dr. P. K. S. Yadav and Associate editors namely Dr. K. V. Padmja for news roundups and Dr. K N. Prasana Rani for reviewing the articles and proof reading. The assistance provided by Dr. R. K. Trivedi/D.
